

# TQC Sheen Inspector Flashlight

DI0090

The TQC Sheen Inspector Flashlight is a robust and handy flashlight with three very powerful LEDs. The adjustable light beam makes this flashlight very useful for inspections. The flashlight light produces white light (high and low power), red light and UV light for thorough inspections of painted surfaces. The Li-ion battery can be charged in the device using the supplied external charger and USB-C cable.

### Scope of Supply:

- Inspector flashlight
- Lanyard
- Li-ion battery 18650 1 piece
- Holster
- AC USB adapter EU
- DC USB adapter for e.g. a car
- USB-C cable

### Ordering Information:

#### Catalog Number Article Description

| Catalog Number | Article Description  |
|----------------|----------------------|
| DI0090         | Inspector Flashlight |

### Technical Specification:

**Case material:** Aluminium alloy 6061-T6

**Size:** Ø37x156 mm

**Weight:** 149 g (excl. batteries)

**Battery:** Rechargeable Li-ion 1x

**Charge time:** 4–8 hours

**Light sources:** 3x LED

**Output:** 180 or 1.000 lumen, red, UV light

**Runtime:** High power 7,5 hours, low power 10 hours

**Focus:** Wide to narrow beam sliding focus

**Ingress rating:** IP45
